PROFESSIONAL SUMMARY

Top-ranked accounting graduate (Excellent with Honors) and Pre-Master's Researcher in Accounting & Auditing. Currently working as an Accountant & Auditor with hands-on experience in financial statement analysis, invoice verification, and variance detection. Proficient in Advanced Excel and Python-based data analysis to automate workflows and support data-driven financial reporting.

EXPERIENCE

Auditor | Reanda SMC — Heliopolis, Cairo *Jul 2026 – Present*

- Audit and reconcile invoices against system entries to ensure data accuracy and integrity.
- Apply materiality principles during sampling to assess and evaluate key financial areas.
- Test and evaluate the effectiveness of internal control systems within client entities.

Accountant & Auditor | Smart Guide for Consultations (SGC) — Salah Salem St. *May 2026 – Jun 2026*

- Input and analyze daily financial statements to identify abnormal variances as part of the auditing process.
- Match printed invoices against system-entered invoices to verify accuracy and ensure no manipulation or discrepancies.

Teaching Assistant — Accounting & Auditing | Higher Institute for Specific Studies *Sep 2025 – Apr 2026*

- Deliver lectures in Financial, Cost, and Managerial Accounting and E-Audit, reinforcing core concepts relevant to bookkeeping, reporting, and controls for 50+ students.
- Simplify complex accounting topics for 25+ students per class using practical examples that connect theory to real reporting and reconciliation scenarios.
- Design assessments aligned to course outcomes, contributing to a 90%+ average performance rate and reflecting strong organization and attention to detail.

Volunteer | University Center for Career Development (UCCD), Sadat City University *Mar 2025 – May 2025*

- Registered and supported 30+ students in enrolling in professional development programs and career initiatives.
- Organized and coordinated career workshops and employability sessions attended by 20+ participants.
- Communicated with students and team members to coordinate schedules, registrations, and workshop logistics.

INTERNSHIPS

Banking Trainee | Banque Misr | Commercial International Bank (CIB) *Sep 2024*

- Opened and processed 50+ customer accounts, ensuring accurate data entry, complete documentation, and compliance with internal procedures.
- Completed a structured online banking training program and earned four certifications in collaboration with CIB.

Accounting & Auditing Trainee | Sadat City Authority *Jul 2024 – Aug 2024*

- Reviewed and verified 10+ financial statements for accuracy and compliance with accounting standards.
- Checked calculations and supporting documentation to ensure accuracy and compliance.
- Achieved a 95% performance evaluation, reflecting strong diligence, accuracy, and analytical skills.
